

OVERSHELVES

Item #:

Qty #:

Model #:

Project #:

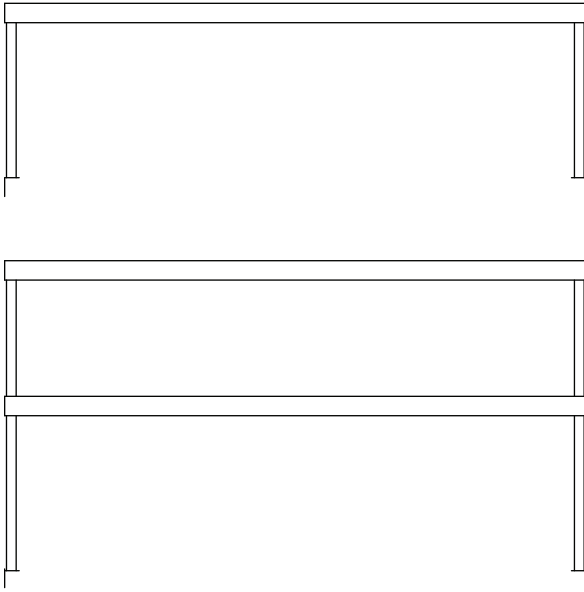

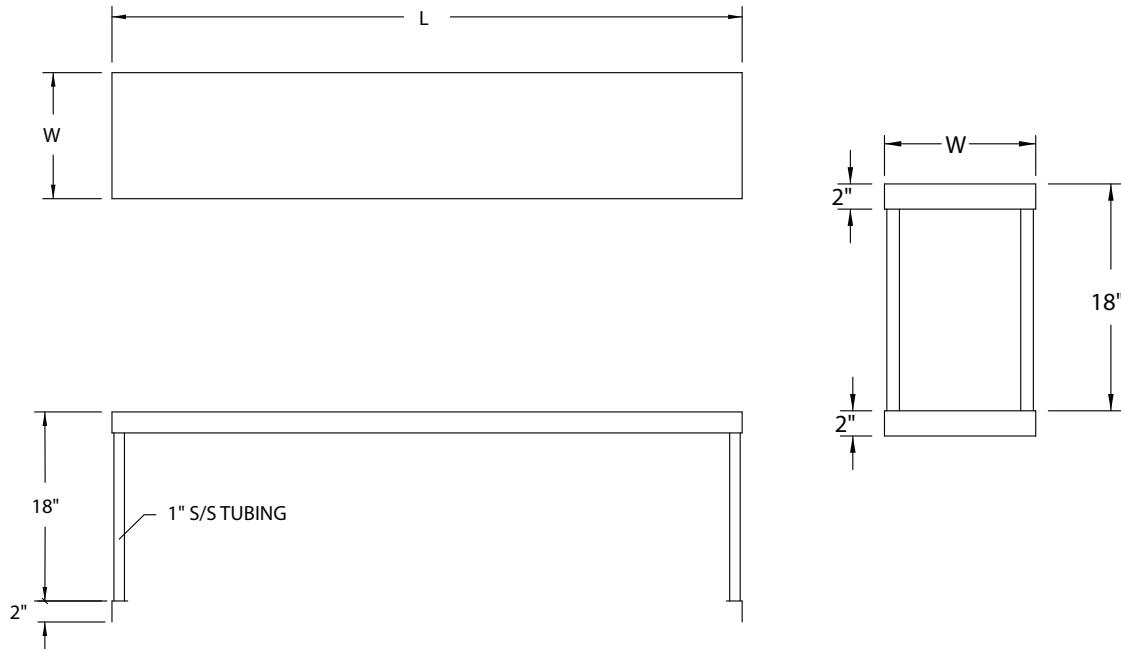

Table mounted overshelves are fabricated of 18 gauge 430 type stainless steel (16 gauge for the 18" width) with 2" turn down on four sides. Shelves are supported by a 1" stainless steel tubing. Single overshelf rise 18" above table top. Double overshelf are 18" and 32" above table top. Standard 1" x 2" stainless steel angle mounting pads are welded to shelf support legs. Widths to be available at 12", 14", 16" 18". Hardware supplied by others.
